BUILDINGS VALUATION

The following guide will help you come up with the sum insured required to complete your home insurance quote. We suggest you keep a copy for your reference so you may revise the sum insured when necessary.

Buildings amount:	€
Buildings: The re-building cost of your home including permanent fixtures and fittings, tennis court, swimming pool, solar heater(s), photovoltaic panels, water storage tank(s), septic tank(s), paved terrace(s), patio(s), garden, yard, footpath(s), wall(s), gate(s), fence(s) and hedge(s) and the like. Buildings also include fitted kitchen furniture, built-in appliances and lift(s) and your interest in common areas and lift(s) if you live in an apartment.	

CONTENTS VALUATION

Contents: Household goods, Personal Belongings and clothing and other items in Your Home which belong to You, Your Family, or other people who are Your visitors at Your Home, or for which You are responsible, including Personal Money and Valuables. Contents also include television and radio aerials, externally fixed satellite receiving dishes and their fittings and masts while fixed to the Buildings of Your Home.

Please note:

- Any valuable exceeding € 2,500 is to be specified;
- It would be in your interest if the items of jewellery are valued by a jeweller;
- Money is subject to Policy Limit.

Contents does not include the following: Motor vehicles (except domestic gardening equipment), motorcycles, caravans, trailers, or any accessories to these items; Pets and livestock; Landlord’s fixtures and fittings; Fitted kitchen furniture, built-in appliances and lifts or Your interest in common areas or lift(s) unless We state otherwise; Any property which is more specifically insured by this or any other policy; Securities, certificates, or documents of any kind except those We define as Personal Money; Contact or corneal lenses; Any property held or used for any business or professional purposes; Interior decorations; Burglary alarm and fire alarm system.
